STRONGLY DISAGREE DISAGREE NOT SURE AGREE STRONGLY AGREE

I've had the feeling that certain thoughts of mine really belonged to someone else

When introduced to strangers, I wonder whether I have known them before

If reincarnations were true, it would explain some unusual experiences I have had

People often behave so strangely that one wonders if they are part of an experiment

At times I perform certain little rituals to ward off negative influences

I've felt that I might cause something to happen just by thinking too much about it

I've wondered whether the spirits of the dead can influence the living

At times I have felt that a particular song was meant especially for me

I've sometimes felt that strangers were reading my mind
